

Dismissal Guidelines

Will take effect on September 2, 2021

Hi everyone! I wanted to update everyone on our dismissal guidelines for the 2021-2022 school year. As with everything else, this plan could change, but for now this is the plan!

*First bell is at 2:30 and is for the students who ride the bus.

*Second bell rings once the buses have left the school. The second bell is for walkers. If your child is a walker and you are meeting them, please wait across the street from the school.

*Third bell is for car pick up. Students in grades K and 1 will be lined up along the sidewalk directly in front of the school. Students in grades 2-6 will be lined up on the side closest to the road. This allows for two lines at pick up which makes the process much quicker. If you have two children, they will be lined up on the side where the youngest child will be. Please drive up as far as possible when you pick up. We will walk your child to your car.

Our paraprofessionals will be parking in the upper lot so they can easily leave when their day ends at 2:30. Car pick ups should either park in the lower lot or form a line for the drive through in the lower lot.

Please do not get out of your car to meet your child on school property. It is best if they meet you across the street or you drive through to pick them up.

Last year we had it down to a science!! We will get there this year too!
Thanks for your help in making dismissal safe and smooth!
