Dear BES Families,

As of March 7, 2022, we will be adjusting our COVID 19 protocols. With the Omicron variant lessening its hold on us, the Safety Committee and the BES School Board opted to make some adjustments.

Most of the changes will affect our guidelines around isolation and quarantining. I know our current quarantining guidelines have made it very challenging for families and staff. With that being said, I do believe our guidelines kept the spread of COVID 19 to a minimum at BES.

You will find the updated protocols with this letter. Areas that reflect change are written in bold font. If you have any questions, please don't hesitate to reach out.

Be well,

A handwritten signature in cursive script that reads "Sue".
