February 18, 2021

Dear BES Families,

With everyone's understanding of and willingness to follow our safety protocols, as of right now we are happily able to be in the building and hope this holds true until June! We have **not** considered being remote for the two weeks following vacation which is why we need your help.

I want to remind everyone, if you plan to travel outside of Maine, New Hampshire or Vermont during February break or have visitors from outside of Maine, NH or Vermont, it will be necessary for your children to quarantine for two weeks following the visit. If you know you will be traveling or entertaining guests, please let your child's teacher know by tomorrow, February 19, so work can be prepared.

Let's continue to work together to keep our students and staff safe. Your help and transparency is a critical piece in determining our ability to remain open. If unanticipated visitors or travel happens, please indicate that on our Sunday night Covid questionnaire for February 28, 2021.

Thank you so much for your continued and appreciated support and have a wonderful vacation!!!

Sue Greenlaw
