Dear Families of the children in Kim Senter's class,

We have been informed that a student in Mrs. Senter's class is a close contact of someone who has been diagnosed with Covid. As of right now, the student **HAS NOT** tested positive. With the long weekend upon us, we wanted to let you know that if your child develops any symptoms, it would be wise to follow the guidelines in this link:

Thanks for your continued understanding as we continue to navigate this pandemic as safely as possible. We will follow up on Monday.

Have a wonderful Thanksgiving and we look forward to seeing the students on Monday, November 29.

Sue Greenlaw
