

The Bethlehem School District is committed to providing access to our electronic and information technology, including our web pages, for individuals with disabilities in accordance with Title II of the Americans with Disabilities Act and Section 504 of the Rehabilitation Act. The Bethlehem School District does not discriminate on the basis of race, color, national origin, sex, sexual orientation, gender identity and/or expression, disability, age religion, or veteran/military status in its programs and activities.

Section 504 and Title II requires us to ensure that persons with disabilities seeking information or services from us, have access to and use of information and data that is comparable to the access and use by persons who are not individuals with disabilities, unless an undue burden would be imposed on us.

To meet this commitment, we are in the process of redesigning our web pages to meet Title II and Section 504 standards. If you have a disability and the format of any material on our web pages interferes with your ability to access the information, please contact us by email at [ithelp@bethlehem.k12.nh.us](mailto:ithelp@bethlehem.k12.nh.us) or telephone 603-869-5842. To enable us to respond in a manner most helpful to you, please indicate the nature of the accessibility problem, the web address of the requested material, your preferred format in which you want to receive the material (electronic format, standard print, large print, etc.) and your contact information.
