

October 29th, 2021

Dear Families,

Your child was exposed to an individual with Covid 19 at BES. At this point there is no need to quarantine, but it is important that you monitor for symptoms and get tested if any develop. Here is the link to guide your decisions:

<https://www.dhhs.nh.gov/dphs/cdcs/covid19/documents/self-observation-covid.pdf>

HIPPA laws prevent us from disclosing any personal information about the infected person. If you follow the guidelines in the link, that should answer any questions that might come up.

If you have ANY questions that are not addressed in this link, please reach out to Sue Greenlaw or Tammy Reardon. Please do not ask your child's classroom teacher because they don't always have all of the information that Tammy and Sue have.

Tammy: treadon@bethlehem.k12.nh.us

Sue: sgreenlaw@bethlehem.k12.nh.us

Thanks for working through this challenging time with us!

Sue Greenlaw
