December 22, 2021

Dear BES Families,

As 2021 comes to a close, I wanted to take a moment to thank each and every one of you for doing your part to keep Covid at bay at BES. My goal at the beginning of the year was to remain open safely, which we have been able to accomplish! I am happy to report that we did not have a single Covid case so far that originated in the building. This tells us, although often difficult, our layers of protection are working to keep our community safe.

I know many of our students were vaccinated this fall, but due to the fact that not all students are vaccinated, for the foreseeable future we will continue practicing our current safety protocols. As a community, we need to continue to take care of each other.

As I think about the first part of this school year, I am grateful for the staff of BES! Despite the challenges of Covid, they have worked diligently to create a warm, loving and engaging environment at BES. The students have been able to participate in so many of the activities that make learning fun and are so happy to be here. We are so happy to have them!

Have a wonderful break, enjoy time with family, and we look forward to seeing the kids on January 3!

Be well,

Sue Greenlaw
