SHARING INFORMATION WITH OTHER PROGRAMS FORM

Dear Parent/Guardian,

To save you time and effort, the information that you gave on your Free and Reduced Price School Meals Application could be shared with other programs for which your child(ren) may qualify or benefit from. However, we must have your permission to share your information with the following programs. Sending in this form will not change whether your child gets free or reduced price meals.

If you would like us to share your information with programs that could benefit your child(ren), please complete the form below and return to the office at BES. If you do not wish to share your info, please disregard this form.

Please check (based on your preference);

- The school may share information from my Free and Reduced Price School Meals Application with PROJECT SWAN (Supplemental Weekend Assistance through Nutrition), a program that provides students with meals over the weekend.
- The School want school officials to share information from my Free and Reduced Price School Meals Application with the HOLIDAY BASKETS PROGRAM (Food Provision for the Holidays), a program that organizes holiday gifts and/or food during the month of December.
